

Seven Suppers

v0.7.0

This week's dinners, for 2 people

MONDAY

Turkey Meatballs with Spaghetti 35 min

YOU WILL NEED

0.5 lb ground turkey, 6 oz spaghetti, 0.5 jars marinara sauce, 0.25 cups breadcrumbs, 0.5 tbsp olive oil, 1 eggs, 0.25 cups parmesan

STEPS

1. Crack the egg into a large bowl. Add the turkey, breadcrumbs, and half a teaspoon of salt, and mix with clean hands just until combined.
2. Roll the mix into balls the size of a golf ball and set them on a plate. Wash your hands after.
3. Warm the olive oil in a large skillet over medium heat. Add the meatballs and turn them every 2 minutes with tongs until browned in spots, about 6 minutes. They finish cooking in the sauce.
4. Pour the marinara over the meatballs, lower the heat to a gentle bubble, cover, and cook 12 minutes. Cut the biggest one in half: no pink inside.
5. Meanwhile, boil a large pot of salted water and cook the spaghetti for the time on the box. Drain it in a colander.
6. Serve the spaghetti topped with meatballs, sauce, and parmesan.

TUESDAY

Oven Chicken and Veggie Kebab Plates 35 min

YOU WILL NEED

0.75 lb boneless chicken thighs, 1 bell pepper, 1 zucchini, 1 red onion, 1.5 tbsp olive oil, 0.75 cups couscous, 0.5 cups plain Greek yogurt

STEPS

1. Turn the broiler on high and move an oven rack about 6 inches below it. Line a baking sheet with foil.
2. Cut the chicken, peppers, zucchini, and onion into chunks of roughly the same size, about an inch. Wash the board, knife, and your hands with soap after the chicken.
3. Toss everything with the olive oil, a teaspoon of salt, and some pepper, then thread onto skewers or just spread it on the pan.
4. Broil 6 to 7 minutes, turn everything with tongs, and broil 6 to 7 more, until the edges brown and a big piece of chicken is white throughout when cut, with no pink.
5. Meanwhile, make the couscous: boil the amount of water the package says, stir in the couscous, cover, turn off the heat, and wait 5 minutes. Fluff with a fork.
6. Serve over the couscous with the yogurt for dipping.

WEDNESDAY

Pesto Pasta with Peas and Chicken 25 min

YOU WILL NEED

6 oz rotini pasta, 0.5 jars basil pesto, 0.5 tbsp olive oil, 0.5 lb boneless chicken thighs, 0.75 cups frozen peas, 0.25 cups parmesan

STEPS

1. Fill your largest pot two-thirds with water, add a tablespoon of salt, cover, and bring to a rolling boil.
2. Cut the chicken into bite-size pieces. Wash the board, knife, and your hands with soap right after.
3. Add the rotini to the boiling water and cook for the time on the box, dropping the frozen peas in for the last 2 minutes. Scoop out a coffee mug of the cooking water before draining.
4. While the pasta cooks, warm the olive oil in a large skillet over medium-high heat. Add the chicken in one layer, leave it 4 minutes, then stir and cook 4 more. Cut a big piece open: white throughout, no pink.
5. Turn off the heat. Add the drained pasta and peas and the whole jar of pesto to the skillet, stirring in splashes of the saved water until everything is coated and glossy.
6. Top with parmesan and serve.

THURSDAY

Baked Chicken Tenders and Sweet Potato Fries 35 min

YOU WILL NEED

0.75 lb chicken tenderloins, 1 sweet potatoes, 0.75 cups panko breadcrumbs, 1 eggs, 1 tbsp olive oil, 0.5 bottles ketchup

STEPS

1. Move an oven rack to the middle and heat the oven to 425 F. Get out two baking sheets.
2. Scrub the sweet potatoes (no peeling needed) and cut them into fries about as thick as your finger. Toss with the olive oil and a big pinch of salt on one pan and spread them out flat.
3. Crack the eggs into a bowl and beat them with a fork. Pour the panko into a second bowl with half a teaspoon of salt.
4. One at a time: dip a tender in the egg, let the extra drip off, roll it in panko, press so the crumbs stick, and lay it on the second pan. Wash your hands when done.
5. Bake both pans 10 minutes, flip everything with tongs, then bake 10 more, until the tenders are golden and the thickest one is white in the middle when cut, with no pink.
6. Serve with ketchup.

FRIDAY

Creamy Tomato Pasta with Hidden Veggies 30 min

YOU WILL NEED

6 oz penne pasta, 0.5 jars marinara sauce, 1 zucchini, 1 carrots, 1.5 oz cream cheese, 0.25 cups parmesan

STEPS

1. Fill your largest pot two-thirds with water, add a tablespoon of salt, cover, and bring it to a rolling boil over high heat.
2. While the water heats, peel the carrots and grate them and the zucchini on the large holes of a box grater. The zucchini skin can stay on.
3. Pour the marinara into a second pot over medium-low heat, stir in the grated vegetables, and let it bubble gently for 8 minutes, stirring occasionally.
4. When the water boils, add the penne and cook for the time printed on the box. Before draining, scoop out a coffee mug of the cooking water, then drain the pasta in a colander.
5. Cut the cream cheese into chunks and stir it into the sauce until it melts smooth.
6. Mix the pasta into the sauce, adding splashes of the saved water if it looks too thick. Top with parmesan.

SATURDAY

Crispy Tofu Nuggets with Rice and Cucumbers 30 min

YOU WILL NEED

0.5 blocks extra-firm tofu, 1.5 tbsp cornstarch, 1 tbsp vegetable oil, 1.5 tbsp low-sodium soy sauce, 1 tbsp maple syrup, 0.75 cups white rice, 1 cucumbers

STEPS

1. Start the rice following the package directions.
2. Open the tofu over the sink and pour off the water. Wrap the block in a clean kitchen towel and press it under a heavy plate for 5 minutes.
3. Cut the tofu into bite-size cubes and toss them gently in a bowl with the cornstarch until white all over.
4. Heat the oil in a nonstick skillet over medium-high until it shimmers. Add the tofu and turn the pieces every 2 minutes until golden on most sides, about 8 minutes total.
5. Turn off the heat, pour in the soy sauce and maple syrup, and stir for 30 seconds until glossy.
6. Slice the cucumbers into rounds. Serve the tofu over rice with the cucumbers on the side.

SUNDAY

Turkey Burgers with Cucumber Salad 25 min

YOU WILL NEED

0.75 lb ground turkey, 2 whole wheat burger buns, 0.5 heads romaine lettuce, 1 tomatoes, 1 cucumbers, 1 tbsp olive oil, 1 lemon

STEPS

1. Put the turkey in a bowl with a teaspoon of salt and some pepper. Mix briefly and shape into 4 patties a little wider than the buns (they shrink), pressing a small dimple into the center of each. Wash your hands after.
2. Slice the cucumbers and tomatoes, and toss them with 1 tablespoon of the olive oil, the juice of the lemon, and a pinch of salt.
3. Heat the rest of the oil in a large skillet over medium heat. Lay in the patties and cook 5 minutes per side without pressing on them.
4. Cut into the middle of one patty: it should be gray-brown throughout with no pink.
5. Optional: toast the buns cut-side down in the empty pan for 1 minute.
6. Build the burgers with lettuce and serve the salad on the side.
